■ [Lights Out! v0.3](#) (3.41 kB)**Rating:** 9.5/10 (2 votes)**Downloads:** 362**Platform:** 86**Language:** Assembly**Type:** Game**Category:** Puzzle**Description:**

This is a Lights Out game for your TI-86! It has 90 levels, fast gameplay, and the ultimate hand-eye coordination setup. All the keys are mapped to a 5x5 box. This program was also written all on-calc, using Clem Vasseur's Z80 compiler. This program is very small (2.5Kb) and is great because it packs 90 levels all into one program. Read the readme and enjoy!

■ [Lite3 0.99](#) (1 kB)**Rating:** 0/10 (0 votes)**Downloads:** 198**Platform:** 86**Language:** Assembly**Type:** Game**Category:** Puzzle**Description:**
